Join Us for the Second Annual Meeting of the County Planning Division

Be among the early-risers on Monday, April 27th, in Minneapolis. From 6:30–8:00 a.m. County Planners will be gathering to hold their second Annual Meeting as a Division of APA. A very nice breakfast will be provided, along with a wonderful opportunity to meet each other. Some necessary business items will be handled; but more importantly, this will be a chance for us to discuss ways we can best help each other deal with the planning issues we each face daily. We also encourage you to pass along an invitation to any of your fellow county planners in attendance at the 2009 National Planning Conference to come to our meeting, even if they are not members – yet. 

Our Mission: The County Planning Division of APA seeks to strengthen relationships among county planners, county elected officials, and other county personnel by facilitating the sharing of technical information, encouraging continuing professional development of its members, researching county planning issues, and building strong ties with other organizations and disciplines with related interests.

Support County Activities in Minneapolis

Our Second Annual Meeting on Monday morning will be followed later that day by the Joint Division Reception that is open to all Division members. Be sure to invite prospective members to both of these events. The Joint Reception will be a great opportunity to “check out” all of the Divisions. You may find that you could benefit professionally by joining an additional Division that addresses topics of interest to you. The following is a brief outline of some of the county-related activities that will occur at the 2008 National Planning Conference:
